Finance Committee Meeting

1. Current Finance Policy - Jason made the recommended updates after from FLLS. Now awaiting Bylaw review/changes for final approval.

2. Examined current year P & L for final budget needs
   - teenager workers under contract labor at $3077, but budgeted in payroll for $1684, difference covered by grants but doesn’t show up in grant reports (grant hours under payroll are all Katie’s) - Susie to follow up with Melissa
   - Susie to follow-up - still waiting for Director’s insurance bill
   - Andra to follow-up with Melissa on Workman’s comp bill, and Rotary check

3. Recommend endowment request amount - discussion re: taking 3K as in 2019 budget vs. not taking any (eligible for 4K+). Jason suggested now that we can expect 3K from new agreement with town, could leave endowment to grow this year. Susie to talk with Community Foundation/Kathy M. and clarify why principal growth is so slow when donations are made every year. Endowment request decision needs to be voted on by BoT prior to Nov. 30 so will need to be by email.

   - Discussed need for solicitation letter for Endowment donations before end of year - Jason volunteered to write one. Susie and/or Kathy M have all prior letters and can supply with template. Jason will coordinate with Susie/Kathy to send out letter ASAP

   - Request Community Foundation to come talk to BoT soon to help better understand Endowment

4. Grant spending reports - still confusing and need more detail - for instance, how much was spent on teen workers for summer reading through grants

5. Personnel committee to develop staffing plan for next year’s budget - teen works and children’s librarian hours as relates to grant funding vs payroll will be looked at further then - Liz to coordinate personnel meeting
1. Review 2019 staffing budget - Susie to continue to take a closer look and further reconcile grant spending with summer teen worker hours.

2. Look at payroll and contract labor and grant status re: staffing (vs budget)
   - Teens= 1,684.80 per 2018 payroll budget vs. 3017.60 recorded in contract labor (which grants and how much cover difference
   - As grant reports become more detailed, the teen contract labor number decreases as those costs are covered by grants.

3. Preliminary discussion of raises
   - Susie recommended 3% across the board due to 5% raises last year + rounding up

Endowment input? Susie to write Finance committee/BoT note requesting we take $2K, which is half of what is available to us

Susie reported Tompkins trust has provided new insurance plan covering LD insurance, Workman's Comp, and Liability which will save us about $1,500
Friends of LCL Report to Board of Trustees  December 11, 2018 meeting

Committees

Program: January 22, 2019 at 7pm “Immigration Laws – Our Broken Immigration System and How to Fix It” with Steve Yale-Loehr
Claire Perez will offer a Writer’s Workshop 4 Saturdays in January (5,12,19,26) from 10am to 12:00.

Art: Linda Van Apeldoorn is leaving the Friends Board (and the area!) so we need someone (not necessarily a Friends Board member) to take over the scheduling. Linda is continuing to try to book for 2019 – please send suggestions to her or Julie Berens.

Garden: no update

Fundraising:

Book sale: We had fewer books for this sale and profits were down. We will discuss whether to continue the sale into the week following the weekend sale; it may be worthwhile in the spring and less so in the fall.

Artisan Fair December 7-8 was very successful – slightly smaller crowds than last year but a steady stream of customers. Raffled baskets made over $400 and vendor fees were slightly up. Final numbers will be available in January.

Annual Meeting
We voted in two new board members – Madelyn Lombardo and Travis Hidlay. We have one more spot available for the Friends board (limit of 11).

Results of Annual Meeting elections: Nikki Wells will serve as President for the next three years with Julie Berens as VP for one year. Julie has agreed to co-chair the Marketing/Fundraising committee with a Trustee. Beth Hogan will serve as the Associate Treasurer for Disbursements, Beth Heck as the Associate Treasurer for Income; Julie Berens’s board membership was renewed for another term.

By-Laws: Suggested changes were approved at the annual meeting in November.

I had a preliminary meeting with Insite Architects to clarify our project goals and show them around our building. The firm will now create a proposal for a feasibility study. The Grounds Committee will go over the proposal after submission and make necessary recommendations to the full board. The Town has decided not to pursue the option of an addition to Town Hall, so Insite will only look at the two options.

Michelle and I attended the New York State Library Association Conference last month. I focused on attending sessions on working with Friends groups and fundraising. Thank you for supporting our professional development.

We have started a large weeding project to clear out un-circulating materials as our shelves are very full.

The Middle School craft class has been a lot of fun. We have a few kids attending who have not used the library before. We will host another after school program during the school STEAM month in February.

I have begun gathering statistics for the 2018 State Report. This is a lengthy process but should be wrapped up by the end of January.

Staff review went well and the staff all have goals to work towards in 2019. Thank you for your support through this process.
