Finance Committee Meeting

Agenda

Mar 22, 2019 5:30

Liz, Susie, Jason, Andra, Darcey, Debora, Melissa

1. February Financial docs
   - reconciled computer purchase with Helming $ and redistributed remaining $ in 2019 budget (reducing B & G increase)
   - Susie will follow-up on persistent tax levy discrepancy
   - a Trustee should pay credit card bills for LCL over phone, when necessary, not Susie

2. Look over 2020 budget options:
   - $4k increase-
     - does not include Helming $
     - does not include fines/donations
     - should have undesignated profits from C&C (fall 2019 major fundraiser)
     - cost of living increase (2%)
     - can adjust mount we take from Endowment, if needed
       - $12K increase-
         - Susie’s wish list for basic needs, maintenance and growth
         - Builds in some insurance for unpredictable grants
         - Building is aging quickly (some problems that arise need immediate fixes due to safety and aesthetic concerns; some items are harder to grant fund due to short turnaround)
           - $8k increase-new proposal and lead recommendation of Finance Team
             - puts $3k back into B & G, $1k more in programming

3. Updating bank signer lists- Susie had called bank and they have provided info on how to proceed, shared with Finance Team

4. Melissa- Thank you for joining us! Will check why beginning equity is always $16k

5. Quick books- renewed for year, price decreased to $388

6. March numbers-looked good
Librarian’s Report to the Board of Trustees March 27th 2019

- We received two grants from the Community Foundation Myrtle Dee Nash fund, totaling $7,067, for after school and summer reading programming. 
- Cargill has awarded the Library $6,300 for 2019. $3000 to get new carpet upstairs in the main stacks room and help offset costs of summer reading and children’s programming. 
- I am waiting to hear back from the Triad Foundation as to their possible interest in funding the feasibility study. I sent a letter of inquiry two weeks ago. 
- The Town has completed our building inspection. We passed, pending our annual elevator inspection. 
- Katie and I are brainstorming on how best to make our after school programming more inclusive for all area children. We will meet with school special education teachers and other district employees over the spring to come up with ideas/procedures for fall. 
- The staff and I continue to promote the vote and annual meeting. Michelle and I are working on revamping the hand out for the annual meeting and bookmarks. After the meeting/vote we hope to have a large bookmark style handout with fast facts and statistics instead of using the annual meeting handout. 
- Summer Reading planning continues to be a high priority, as well as finishing up the last of the grant applications for spring grant cycles.
